DOWN-GRADED POSITIONS???

Do you have a position that is going to be down-graded when the present incumbent leaves?

If so, contact the Personnel Office for advice on how to maintain the grade at its present level.

Due to the State's austerity policy it is imperative that justification for upholding a grade be made before a position is vacated.

BOARD OF TRUSTEES DEADLINE

CLOSE OF FY1972
PURCHASING PROCEDURE

The State Comptroller has set a cutoff date of June 15, 1971 for receiving encumbrance documents for fiscal year 1971 appropriated funds. All funds not encumbered on that date will revert back to the Commonwealth.

We would like to keep the reversion of University funds to a minimum. In order to insure that all of our funds are encumbered before the "cutoff" date we are asking all departments to submit requisitions, spending the remainder of their allocation, to the Purchasing Department prior to May 1, 1971. This date will allow sufficient time for bidding and purchase order preparation and distribution.

Soon after the Appropriation Act has been passed by the Legislature and the Trustees approve the Operating Budget, you will be advised of the funds you will have available for the fiscal year 1972. Upon receipt of these amounts, you may submit requisitions - against 1972 funds - for goods to be delivered or services rendered on and after July 1, 1971. Such requisitions must be prominently labeled "1971 funds".

Your assistance in bringing about an orderly closing of the fiscal year is appreciated. Please bring this to the attention of all other personnel concerned. Inquiries concerning this notice should be directed to the Purchasing Department - extension 253 or 254.

YEAR END ACCOUNTING
AND BUDGET NOTIFICATION

All Departments are urged to review their departmental budgets with respect to their anticipated needs through Year-End. If anticipated needs are now foreseen beyond what the department has left unencumbered, the chairman should contact The Business Manager or Director of Accounting, right away. At the same time, if it is anticipated that funds will not be used, this information should be made known so that these surpluses may be used for other University needs. Cooperation in this regard will be greatly appreciated.

03 - HONORARIA
03 - STUDENT WAGES

A survey is now being taken to compile needs through Year End. The accounting office must complete this projection by April 30th. If you have needs in these two subsidiary accounts exceeding your departmental budgets, it is vitally important that you contact the Director of Accounting immediately.
